

the 39th ARA Congress
Tuesday, July 28, 2015 – Friday, July 31, 2015
Chairman: Dr. Catalina Curceanu

ROUNDTABLE 1

Topic: ARA Networking Platform for Research and Dissemination in a Sustainable World

Panel Chair: Prof. Dr. Ruxandra Vidu

Date: Tuesday, 28 July 2015

Time: 14:30 – 15:45

Total time: 75 minutes

Guest panel: TBD

The objective of this workshop is to create a powerful networking platform for a broader American-Romanian community of researchers, scientists and artists. With the goal to increase the interest in a sustainable world, ARA addresses the needs for an open platform to share information and increase visibility and impact of ARA and its members. The ARA Networking Platform explores existing synergies in the American Romanian academic community to leverage our member experiences. Funding opportunities for collaborative research and symposiums will be discussed.
